Dear Sir/Madam,

We are pleased to send you :

- Your Specific Conditions summarizing the terms and conditions of your subscription;
- The General Terms and Conditions of Sale of the contract.

Please read them carefully and keep them for future reference.

Yours faithfully,

The Selectra team

General Terms and Conditions of Sale - Voluntary Carbon Offset Service - Belgium

Selectra
66 Sébastien Mercier Street
75015 Paris
France
Simplified Joint Stock Company with a capital of 140,000 euros
Paris RCS 499 807 147

For any questions regarding voluntary carbon offsetting, write to us at callmepower@selectra.info.

1. Definitions

“Client”: Refers to any legally capable natural person or legal entity subscribing to a carbon offset service from Selectra.

“Contract”: Refers to this agreement consisting of both specific and general conditions.

“Carbon Offset”: Refers to the mechanism by which Selectra commits, through one or more selected partners, to offset a specified amount of CO2 emissions for its Client, estimated based on national average emissions calculations or a personalized estimation of the Client's emissions.

“Offset Certificate”: Refers to the document, transmitted to the Client in electronic format, guaranteeing that the actions carried out by the Offset Partner have indeed been performed and are sufficient to offset the CO2 emission volumes stipulated in the Contract.

“Broker”: Refers to the third-party company to which Selectra delegates the routine management of Carbon Offset Contracts subscribed by its Clients:

SPB SAS
71, Colbert Quay
76 600 Le Havre
RCS Le Havre 305 109 779

“Offset Partner(s)”: Refers to the organization(s) selected by Selectra to implement and guarantee the carbon offset services requested by its Clients, such as EcoAct, Act Commodities, or any other compensating partner capable of conducting a carbon offset activity on behalf of Selectra’s Clients.

2. Purpose

The general terms of sale outlined herein detail the rights and obligations of Selectra SAS and its Client concerning the sale of the following products:

- Carbon Offset “Electricity and Equipment”;
- Carbon Offset “Gas”;
- Carbon Offset “Home and Food”;
- Carbon Offset “Electricity and Gas”;
- Carbon Offset “Personal”;
- Carbon Offset “Energy + Equipment”;
- Carbon Offset “Customized”.

Any service provided by Selectra on behalf of the Client implies the Client's unreserved acceptance of these General Terms of sale.

The Client selects the plan that suits them at the time of subscribing to the Contract and may freely change their plan at their discretion by sending a notification to the following address:

[\[callmepower@selectra.info\]](mailto:callmepower@selectra.info)

Any change of plan will result in the issuance of new specific terms and conditions of sale.

3. Operation of Carbon Offset

Selectra offers the Client the option to voluntarily and financially offset their greenhouse gas emissions. This offsetting is certified and guaranteed through the issuance of Offset Certificates provided by the relevant offsetting Partner. The process operates as follows:

Project developers working on the reduction, avoidance, or sequestration of greenhouse gas emissions are granted the right to issue carbon credits in proportion to the emissions reduced, avoided, or sequestered through the actual implementation of their projects. These rights are granted by international certification bodies such as Verra (Verified Carbon Standard label), Gold Standard, or the Clean Development Mechanism (CDM).

Project developers transfer these carbon credits to third parties, including Selectra’s offsetting Partners.

As part of the Carbon Offset service, Selectra (i) purchases carbon credits, which are stored in the portfolio of the offsetting Partner, and then (ii) requests the Partner to cancel these credits in the registry of the relevant certification body in proportion to the offsets performed by its Clients, on an annual basis.

During the first half of each year, Selectra:

- Totals the entire volume of GHG emissions to be offset on behalf of its Clients subscribed to the Carbon Offset service;
- Requests the offsetting Partner to cancel a volume of carbon credits proportional to the total GHG emissions to be offset on behalf of its Clients, as well as the issuance of an Offset Certificate;
- Sends this Offset Certificate electronically to its Clients.

The annual amounts of greenhouse gas emissions to be offset for each product are calculated by Selectra based on the national average annual emissions, except for the “Customized” Carbon Offset product.

If the Client has made 12 monthly payments during a calendar year, the quantity of carbon credits to be canceled for this period corresponds to the total estimated average emissions for the chosen product.

If only part of the 12 payments has been made (e.g., in the case of a subscription or termination during the year), a pro-rata calculation is applied based on the number of months billed to determine the quantity of carbon credits to be canceled.

4. Offset Partner

Through its Offset Partners, Selectra contributes to financing carbon offset projects. Due to its strong relationship with the energy market, Selectra primarily supports projects related to renewable energy sectors in developing countries.

5. Broker and Contract Life Management

Selectra delegates the management of the Contract life and client relations to the Broker identified in Article 1. The Broker is particularly responsible for sending electronic emails to the Client, setting up monthly withdrawals, managing terminations, handling general inquiries, and broadly all routine aspects of managing the relationship with the Client.

6. Contract Duration

The Contract is concluded for an indefinite period. The terms of termination are determined in Article 11 of these terms.

7. Contract Effectiveness

The Contract is concluded and takes effect from the day it is signed by the Client. The Contract will be signed using an electronic signature.

8. Pricing

The fee Selectra charges for offsetting one tonne of CO₂e emissions is determined according to the following pricing schedule:

Offer	Annual Emission Estimate (tons of CO ₂ e)	Monthly Price(inc. VAT in €)
Electricity & Equipment	1,55 tCO ₂ e	2,99 €
Gas	3,87 tCO ₂ e	3,99 €
Home & Food	4,88 tCO ₂ e	4,99 €
Electricity & Gas	5,42 tCO ₂ e	5,99 €
Energy & Equipment	6,61 tCO ₂ e	7,50 €
Personal	9,53 tCO ₂ e	12,99 €
Customized	According to the personalized estimate of the Client's emissions.	€1.67 incl. VAT per month per tCO ₂ e (i.e. €20.04 per year).

This compensation scale may be updated by Selectra on the first of January each year, respecting a notice period of at least one (1) month. The Client has the right to cancel his contract within a reasonable timeframe before the new pricing takes effect, without incurring any fees or penalties.

9. Emission Adjustment

At any time and for any reason, the Client may send a request to the Broker to modify their estimated emissions, using the dedicated email address for managing the Contract life (callmepower@selectra.info). For instance, in the event of moving or changing consumption habits.

The Broker receives the request and reassesses the Client's emissions, and thus the amount paid for the Carbon Offset.

10. Billing and Payment Terms

The amount owed by the Client for the Carbon Offset and the issuance of the Offset Certificate is billed and paid monthly via automatic withdrawal. The Broker will act as an agent on behalf of Selectra. The Client must provide their IBAN number over the phone and sign the SEPA direct debit mandate included in the specific terms of sale.

11. Termination

11.1 Termination by the client

The Client may terminate the Contract at any time, subject to a notice period of fifteen (15) days before the end of the current month, without being required to pay any compensation. The Client shall notify the termination to the Broker by email at the address callmepower@selectra.info.

11.2 Termination by Selectra

Selectra may terminate the Contract at any time, subject to a notice period of fifteen (15) days before the end of the current month, without being required to pay any compensation.

Selectra will notify the Client of the termination by email.

The Contract will be automatically terminated by Selectra via simple email in the event of non-payment of the amounts due by the Client.

Selectra may also terminate the Contract with a notice period of seven (7) days via simple email in the event of a breach by the Client of the General Terms and Conditions of Sale (GTC) or any other contractual term. In this case, the Client will be required to pay the monthly fee and will not be reimbursed for the month during which the termination occurs.

12. Personal Data

The personal data of Clients are collected in accordance with the General Data Protection Regulation ("GDPR") 2016/679 of the European Parliament.

As the data controller (as defined by the GDPR), Selectra processes personal data only in accordance with the GDPR and/or specific conditions agreed with the Client. When acting as a processor (as defined by the GDPR), Selectra will process personal data provided by the Client only according to the Client's instructions, including conditions agreed upon in a separate contract. Data subjects (as defined by the GDPR) may exercise their rights to access and rectify personal data by contacting Selectra at contact@selectra.info, or by sending a letter to the following address: 66 Sébastien Mercier Street, 75015 Paris.

Client data is collected and recorded by Selectra for the purpose of subscribing to a voluntary carbon offset offer. The data is transmitted by Selectra to the Broker, to manage the daily execution of the Contract.

Personal data is retained for 3 years from the last interaction between Selectra and the Client.

13. Liability

Regardless of legal interpretation, Selectra shall in no event be liable for indirect, incidental, or consequential damages, including, but not limited to, any loss of profits, anticipated savings, or other economic benefits, arising from or in connection with the Contract or any product or service provided by Selectra. Regardless of legal interpretation, the total liability of Selectra for all claims under a Contract shall not exceed the total amount paid by the Client in relation to the products that are the subject of the claim.

14. Force majeure

Selectra's liability shall not be invoked if the non-performance or delay in performing any of its obligations described in these general terms arises from a force majeure event as defined in Article 5.226 of the Belgian Civil Code.

15. Partial Invalidity

If one or more provisions of these general terms are held to be invalid or are declared such under the application of a law, regulation, or following a final decision of a competent judicial authority, the other provisions shall retain their full force and scope. The ineffective, invalid, or unenforceable provision shall be deemed replaced by a valid and enforceable provision that most closely matches the commercial intent of the affected provision.

16. Applicable Law and Disputes

These general terms are governed by Belgian law. Any dispute relating to their interpretation or execution falls under the jurisdiction of the Belgian courts.

17. Electronic Signature

The present Agreement may be signed electronically. By express agreement constituting an agreement on proof, the signatories agree to electronically sign this Agreement in accordance with the law of July 21, 2016, and acknowledge that this electronic signature has the same value as their handwritten signature. This process ensures that each party has a copy on a durable medium or access to it.

I hereby declare that I have read and accept the General Terms and Conditions of Sale/specific terms of sale

SEPA DIRECT DEBIT MANDATE RUM 000037129685

This mandate serves as pre-notification for the upcoming SEPA direct debits that will be executed under the conditions described in your membership form and Information Notice. By signing this mandate form, you authorize SPB to send instructions to your bank to debit your account, and your bank to debit your account in accordance with SPB's instructions. You are entitled to a refund from your bank under the conditions outlined in the agreement you have with it. A refund request must be submitted within 8 weeks of the debit date for an authorized direct debit. Your rights regarding this mandate are explained in a document that you can obtain from your bank. The information contained in this document is intended for use by SPB solely for managing its relationship with its client. It may give rise to the client's exercise of their rights to object, access, and rectify, as provided by the law of July 30, 2018, on the protection of natural persons with regard to the processing of personal data.
